\*Works with most Apple®, Android™, and BlackBerry® devices. Compatible with iPod®, iPhone® and iPad®. Also compatible with other electronic devices using a 3.5mm headphone port.

## What's included

- One pair of over-the-ear headphones
- Soft protective storage case
- Black, red and blue color covers

## Features

### In-line multifunction controller with microphone

The integrated microphone provides superb sound quality for your listener. The one-touch button lets you accept and hang up phone calls, play and pause music, access and use the voice control function and track advance/track back. Works on most Apple and Android phones and portable media players.

### 99% Oxygen free copper wire with fabric reinforced cable

99% Oxygen free copper wire provides extraordinary signal transfer, while the reinforced cable assures your headphones last a long time.

### Soft protective case included

Protects and stores your headphones. Plush inner lining and pockets for additional storage.

### Included color options

Black, blue and red covers are included to give you the flexibility to change the look of your headphones.

### Headphones fold flat for storage

The ear cups fold flat to allow the headphones to be easily stored.
